## PERSON CENTERED THINKING

# LOGO DESIGN CONTEST

The South Dakota Learning Community for Person Centered Thinking has just announced a logo competition and we are looking for some fresh ideas!

**Who are we:** We are families, self-advocates, teachers, providers, and professionals who are interested in supporting all people to have positive control over the lives they choose for themselves. Our efforts focus on people who have lost or may lose positive control because of society's response to the presence of disability.

*Person Centered Thinking is about "helping people have better lives!"*

**What:** We invite anyone to design a logo that represents our group and our work. You can check out our national network at <http://www.learningcommunity.us>

### Basic Rules:

- Designs must be original
- Designs will be printed on print materials, T-shirts, & more
- Design must be able to incorporate our name and a tag line (to be determined)
- Design must be submitted as a high resolution jpg. or pdf.

### Competition:

- The winning design will become property of the SD Learning Community for Person Centered Thinking and winner will not receive a royalty or compensation for use of the design.
- A committee will select the winning design.

### Prize:

- Winner will have their design revealed at The SD Gathering, October 1, 2014 at Cedar Shores, Oacoma, SD.
- Winner will receive free registration and 1 night lodging to attend The SD Gathering 2014.
- Winner will receive a gift card of \$100.00

**Entries Must be Submitted by September 15, 2014**
